## GGP

Golden Gate Pharmacy is always looking for new ways to serve our clients more effectively. Recently we have added some new products and services that we would like to share.

## Several compounded medications with extended shelf life

Is your pet using any of the compounded medications listed below? If so, these compounded medications now have a longer shelf life! Which means you can order a larger quantity and save money! Our formulations were tested at an ISO accredited analytical laboratory, with results of the following compounded medications having an extended shelf life:

- Methimazole – 6 months (previously 3 months)
- Azithromycin – 30 days (previously 14 days)
- Doxycycline – 6 months (previously 1 month)
- Piroxicam – 3 months (previously 1 month)
- Tacrolimus – 3 months (previously 1 month)

We are continuing to test some of our most popular medications, to ensure we are providing the most accurate shelf life possible.

## New quick and secure ways to pay online – PayPal or Google Checkout!

Make secure payments online via PayPal or Google Checkout! In order to use this service, provide an email address registered with PayPal or Google Checkout by phone or by registering with our new online Sign In. We will take care of the rest. Once an invoice is ready, an email will be sent to you with a payment link. Call to speak with Jennifer or Megan if interested in this service.

### Benefits of Google Checkout and PayPal

- Once an account is created, all billing, shipping, and credit card information is stored on a secure database.
- No need to enter all your personal information every time you order.
- Place orders without sharing financial information.

### Inside This Issue

- GGP
- Several compounded medications with extended shelf life
- New quick and secure ways to pay online
  - PayPal or Google Checkout
    - Benefits of Google Checkout and PayPal
- New Online Sign In
  - Benefits for Veterinarians
  - Benefits for clients
- Golden Gate Pharmacy now using https protocol

## New Online Sign In

Online registration at Golden Gate Pharmacy allows for quick and easy access to prescription orders, refills, and payment. To register, go to: [www.ggvetr.com](http://www.ggvetr.com) and select the "Order Form" tab and fill out the requested information form.

### Benefits for Veterinarians:

- Submit new prescription orders online
- Make prescription changes online
- Access our fax order form online

### Benefits for clients:

- PayPal or Google Checkout invoice available to pay online.
- Safe and secure online ordering.

## Golden Gate Pharmacy now using https protocol

What does https mean? https is one of the most, safe and secure protocols that is available today. https provides encrypted communication and secure identification of a network web server. This ultimately means that Golden Gate Pharmacy is using the safest means for entering confidential information via internet.

## New signature chew flavors!

Try our new flavors! We hope that by adding to our collection of chew flavors you will find the flavor that is best received and most liked by your pet. There are four new flavors to choose from. New signature flavors include:

- Cheesy Chicken
- Bacon
- Peanut Butter
- Hypoallergenic Chew (Coming soon!)
